6 H 543C2—With side-mount JX scope (6H784). Shpg. wt. 8 lbs. .... 117.90

Entirely new—the action, receiver, barrel, stock. Nothing rebuilt or borrowed. Patterned after the time-tested Model 98 Mauser action, this all-new counterpart has been field-tested at conditions far beyond normal usage. And come through with flying colors. One look at the walnut Monte Carlo stock and the care and skill that went into shaping and finishing it become evident. Beautifully blued metal parts. Five-round magazine. Turned-down bolt handle for use with scope. Ramp front sight; folding rear sight. 22-inch barrel; 42 inches over-all. Actual weight 6¾ pounds.  
6 H 37C—Shipping weight 7½ pounds. \$9 monthly ..... Cash 497.50

**REBUILT MAUSERS**

**Military Surplus Model 98 8mm (7.92mm) Mauser Rifles**

**3 Sportized Mauser.** Famous German World War II-type rifle, rebuilt and sport-customized. Many consider the Mauser bolt-action one of the world's best. Now the stock has been redesigned and refinished. The bolt body polished. Other metals refinished. Unnecessary military hardware removed. Result—a Sportized Mauser, as handsome as it is reliable. Vertical blade front sight; adjustable tangent-type rear sight. 5-round magazine. 23½-in. barrel; 43½ in. over-all. Actual weight 8 pounds.  
6 H 137C—Shipping weight 10 pounds. \$5 monthly ..... Cash 138.88

**4 Standard Mauser.** The classic Mauser rifle of the type used extensively by the German army during World War II. Not a replica or model—this is the same rifle, renowned for its reliable bolt-action. The strongest and latest of the entire Mauser military series. As an excellent hunting rifle or a show-piece this Mauser should enhance your collection. Vertical blade front sight; adjustable tangent-type rear sight. 5-round magazine. 23½-inch barrel; 43½ inches over-all. Actual weight 9 pounds. \$4 monthly.
