

# Who's Behind The Protest Movement?

**JOIN US**  
For A Viewing

From the UK's "Brexit" vote to the election of Donald J. Trump, liberty advocates worldwide made large strides in 2016. Yet, violent leftist activism has rapidly increased.

The mainstream media would have you believe that these are spontaneous uprisings, but digging deeper reveals a web of organizational ties spanning from the protestors to billionaire leftist financier George Soros to Congress.

Who's behind this network? Learn the answer by joining us for a video showing of "The Enemies Within," a documentary by critically acclaimed liberty researcher and producer Trevor Loudon. Discussion will follow, including how you can get involved to help protect American liberties and independence.
