

The Islamic Invasion

The Gates of Vienna
The Turkish Jihadists were poised to overrun Europe at The Battle of Vienna on September 11, 1683, but they were defeated and withdrew.

As mosques appear across the country people are asking – “What do I need to know about Islam?” Islam, once an obscure Middle Eastern religion, has grown into the second largest religion in the world. There are now more Muslims than Episcopalians in the United States!

What attraction does Islam hold for its followers? What part does it play in shaping the outlook and attitudes of nearly one billion people? Noted author, Dr. Robert A. Morey, internationally recognized authority on the origins of the teachings and rituals of Islam explores the pre-Islamic history of Allah, the doctrines, and customs of Islam. He reveals Islam’s teaching on human rights, religious freedom, and the abuse of women. *Islamic Invasion* will give you the insight you need to understand Islam and the challenge it poses today. Dr. Morey warned the United States and Europe about Islam, duirng the early 1980’s, long before the Islamic attack on September 11, 2011 (also referred to as 9/11).

Recommendations for Book
“Here is a book that concisely tells what Islam is—and what it isn’t! I found it absorbing, clear and very helpful. It is a readable exposé of a major world religion that could be a threat to our basic freedoms. I wish every evangelical who is concerned about Muslim evangelism would read this book and pass it along to a friend.”

Dr. Erwin Lutzer (The Moody Church)

“I received the book today-finished reading it today! Superb! Absolutely outstanding! Your book is coherent, easy to read, comprehensive, touching on every major concept of Islam—while retaining brevity. It is succinct, giving just basic information without getting bogged down with minutiae; yet having ample references for anyone who wants to check your accuracy. Best of all, it is not offensive to the Muslim—any more than truth has to be. You will, of course be a target for their animosity; but then, I suspect you already are! Thanks for making such a book available to Christians who may have encounters with Muslims, and to Muslims themselves who may be honest and sufficiently open-minded to face truth.”

Dr. Herbert Ehrenstein (Eternity Magazine)

Note: Special thanks to Professor Colin Akridge—who is a U.S.Army veteran and black scholar in the field of comparative religions—for his valuable and insightful contributions and working with him for researching and writing the section entitled *The Black Muslim Movement in America*.
