APOSTASY: Its Cause, Its Cure

by *Dr. Robert Morey*

Introduction

We've all experienced grief and sorrow over loved ones and friends who have fallen away from the Gospel. At one time they seemed to be such faithful and zealous Christians. But they gradually or suddenly left the church and now live without any concern for their soul. They now live only for this world and the pleasures it offers.

We miss them and wonder why they, like Judas, have *betrayed* the Lord. We have found that *the doctrine of apostasy* answers all of our questions.

All theological schools accept the fact that professing Christians can and do fall away from the Faith. No one denies this sad fact of church life.

I. The Nature Of Apostasy

A. The Meaning of Apostasy:

"To Fall Away From; To Leave, Abandon or Desert Something."

B. Biblical Usage and Meaning:

"To Fall Away From God, His Word and His People. To Abandon The True Worship of God." (Example: Numbers 31:16; Hebrews 3:12; 6:4-6)

C. Its Scope — To Abandon:

1. Biblical Doctrine
2. Biblical Holiness
3. Biblical Worship

Example of the *tragic consequences of apostasy: Princess Diana, destined to be the Queen of the Church of England, rejected Christianity, committed adultery, consulted with fortune tellers, and then died in a drunken driving accident with her boyfriend, a millionaire Muslim playboy.*

343/165034

Galatians 1:6-9; 2nd Peter 2:20-22; 1st John 2:19; 4:2-6; 5:4; 2nd Timothy 4-10; 1st Kings 4:1-10; 2nd Timothy 2:17-19;

D. Apostasy Can Be:

1. Temporary or permanent
2. Partial or total

Examples: David — Temporary and partial. Judas: Permanent and total.

E. Passage of full mention: Hebrews.

Under persecution, Jewish Christians left

the church and returned to Temple worship. This is the focus of the Book of Hebrews.

F. Apostasy Concerns Professing Christians (1st John 2:19).

Professors (Lips) vs. Possessors (Heart)

II. The Causes Of Apostasy

A. In the Gospels:

1. Ignorance (Matthew 13:19; Hosea 4:6)

"APOSTASY" continued on p. 2

2. Trouble/Persecution (Matthew 13:20-21)
3. Worries of this life (Matthew 13:22)
4. The deceitfulness of wealth (Matthew 13:22)
5. Hard Teaching (John 6:60-66)
Example: Young Man (Mark 10:17:27); Judas (John 12:4-6; Matthew 26:14-15; John 13:27,30)

B. In the Church Epistles

1. Satan's devices (2nd Corinthians 11:3-4, 13-15)
2. Hurt feelings (Galatians 4:12-16)
3. The desire to be rich (1st Timothy 6:6-10; 17-19)
4. Love of this world (1st John 2:15-17)
Example: Demas (2nd Timothy, 4:10)

C. In the Book of Hebrews

1. Not paying careful attention to sermons (2:1)
2. Ignoring salvation (2:3)
3. Not holding on (3:6, 14, cf. 1st Corinthians 15:1-2)
4. A sinful heart (3:12)
5. An unbelieving heart (3:12)
6. A hardened heart (3:7-8, 15; 4:7)
7. Rebellion (3:15-16)
8. Unbelief (3:19)
9. Falling short of entering God's rest (4:12)
10. Didn't combine faith with the word (4:2)
11. Disobedience (4:6 cf. 3:18)
12. Lazy (6:12)
13. No one-anothering (10:24-25)
14. Not attending church (10:25)
15. Deliberate sin (10:26)
16. Lack of perseverance (10:35-36)
17. Shrinking back (10:38-39)
18. Bitterness (12:15)
19. Sexual immorality (12:16)

20. Refusing God (12:25)
21. Love of money (13:5)
22. Disrespect of leaders (3:7, 17)
23. False doctrine (13:9)
24. Public disgrace (13:12-13)

III. The Consequences of Apostasy

- A. NO ESCAPE! (Hebrews 2:3)
- B. NO REST! (Hebrews 4:3)
- C. NO HOPE! (Hebrews 10:26-31)

IV. The Prevention of Apostasy

- A. "Prevention" is always better than "Cure."
- B. We need to guard our hearts (Proverbs 4:23).
- C. We must take care we don't fall (1st Corinthians 10:11-13).
- D. We should examine ourselves (2nd Corinthians 13:5).
- E. The message of Hebrews concerns preventing apostasy.
- F. The positive exhortations focus on what to do to insure spiritual health.
- G. These exhortations have five centers of focus: the Word, God, Salvation, the Church and the Heart.
- H. Our response to these five centers determines our future.
 1. Your response to God's Word will reveal the true condition of your heart. (Hebrews 2:1-4)
 2. Your response to God is the ultimate issue. In the last analysis, it is the Lord who will keep you from falling (Jude 24) or pick you up after you have fallen and set you back on the path of righteousness (Psalm 145:14; Proverbs 24:16). He is the one who must keep us from apostasy and watch over us night and day. (Psalm 121). Thus we must keep close to God. This is spoken of in many different ways:

Abide in Him (John 15:4)
Believe in Him (Hebrews 11:6)
Come to Him (Matthew 11:28)

Delight yourself in Him (Psalm 37:4)
Enter His Presence (Psalm 100:4)
Follow Him (1st Kings 18:21)
Give thanks to Him (Psalm 106:1)
Hold on to the End (Hebrews 3:14)
Keep His Way (Genesis 18:11)
Love Him (Matthew 22:37)

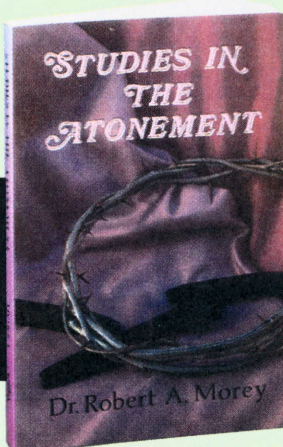

"Every human heart has the seeds of apostasy within it. Nothing in this life can remove those seeds, but only the power of God which keeps us until we reach heaven's shore."

Obey Him (Acts 5:29)
Pray to Him (1st Thessalonians 5:17)
Receive Him (John 1:12)
Seek Him (Isaiah 55:6)
Trust Him (Proverbs 3:5-6)
Walk with Him (Genesis 5:22)

3. Your response to God's offer of Salvation determines your eternal destiny. (Hebrews 2:3)
4. Your response to His church reveals your relationship to Christ.
5. To avoid apostasy, keep your heart full of the graces mentioned by the author of Hebrews.

CONCLUSION

Every human heart has the seeds of apostasy within it. Nothing in this life can remove those seeds, but only the power of God which keeps us until we reach heaven's shore. This preservation by God is part of the blessing of the New Covenant and is ours through our union with Christ (Jeremiah 32:38-40). Remember that the certainty of *God's preservation* doesn't negate the necessity of *your perseverance*. God is sovereign and man responsible *at the same time*. ■

LETTERS TO THE TRUTH SEEKER...

[Dear Dr. Morey],

First, let me greet you and your staff in the name of our Lord of hosts, Jesus Christ.

It does me great joy to be able to write back to you and share the goodness that the Lord is blessing me with.

I would have never thought, by giving my life over to Jesus, [that it] can bring great joy. Don't get me wrong, because some days, [it] isn't always happy but, I know that I have a friend in Jesus and all my good days outweigh the bad.

Since July 28, 1998, I've [been] enrolled in Southern New England Regional Bible College. This school is a blessing because I often talked about going back to school but never knew how I was going to pay for it, but, the Lord makes ways out of no ways.

I also found a great church home and the Lord has me fulfilling my [duty] in that church also.

...I truly know that there is a blessing out there if you truly want it. I know that Jesus lives today and no matter what you're going through, you're never alone.

In His name,

W.Y.

Dear Dr. Morey:

Greetings in our Lord's precious name. It is with great pleasure when I introduce myself.

I am 23 years old.

The place where I live is far away, east 420 km from the capital city of Ethiopia.

Many of my people, a nation of Muslims, haven't heard the Gospel.

Two weeks ago, my friend read *The Truth Seeker* magazine in front of me.

I asked my friend if he would give me the magazine.

When I read it, all the contents of your magazine were very useful to my spiritual growth.

I extend my praise to the Lord whose grace qualified you to produce this precious *Truth Seeker*.

God started working in my life. I now am a servant of the Lord in full-time Christian service.

Praise to the Lord who guides me to this vocation.

I have no gift to send you, but I'll pray for your work. Jesus is Lord!

Y.M.

Dear Truth Seekers,

I thank you for that enlightening and inviting literature. After looking up the Surahs and Hadiths that were suggested, I have come to find out the truth about Islam and its false prophet [Muhammad]. I thank you and I pray that you receive a jewel in your crown for this wonderful deed.

It is with great expectation that I hope and pray you will send me some more literature. Maybe I can open someone else's eyes.

God Bless! Sincerely yours,

D.H.

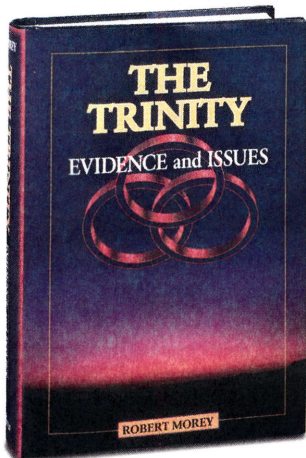

Editor's note: We welcome your letters and your questions. Every attempt will be made to answer them.

A color catalog listing *Truth Seeker* materials is available. It comprises one of the best libraries on Christian apologetics in the world. Write for your copy today. Your donation to cover the costs involved would be appreciated. Thanks.

ISLAMIC UPDATE

CLINTON TELLS UNITED NATIONS IT'S TIME TO UNITE AGAINST TERROR, CLAIMS AMERICANS "RESPECT AND HONOR ISLAM"

—The New York Times

NEW YORK—President Bill Clinton told world leaders ... that the fight against terrorism was "at the top of the U.S. agenda," and proposed steps for better international cooperation to prevent and punish terrorist attacks.

Clinton received a warm, standing ovation with rhythmic applause as he entered the General Assembly Hall, a sign of the sympathy foreign delegates felt for him as the videotape of his

testimony to the Office of Independent Counsel's grand jury testimony concerning his relationship with Monica Lewinsky was [made public]. ...Clinton did not advance American policy against terrorism in any new directions, nor did he deal with rising criticisms from a number of countries on the [U.S. government] bombing of targets in Sudan and Afghanistan on August 20.

...The United States has linked [deadly embassy bombings to Osama bin Laden, a Saudi-born supporter of Islamic militancy.

Clinton's speech followed by half an hour an opening address by the U.N. Secretary General, Kofi Annan, who obliquely criticized the American use of force, which the administration said was a retaliation for bombings of American embassies in Kenya and Tanzania.

...Clinton also spoke of a global response.

He suggested improvements in a number of areas.

He said he would be asking Congress for money to strengthen protection for embassies abroad and for programs to help countries under terrorist threat improve the lives of their own people and thus lower the pool for recruitment.

"If terrorism is at the top of the American agenda and should

be at the top of the world agenda, what then are the concrete steps we can take together?" he asked.

"What are our common obligations? At least, I believe, they are these:

- "To give terrorists no support, no sanctuary [or] financial assistance.
- "To bring pressure on states that do.
- "To act together to step up extradition and prosecution.
- "To sign the global anti-terrorism convention.
- "To strengthen biological weapons and chemical conventions.
- "To enforce the chemical weapons convention.
- "To promote stronger domestic laws and control the manufacture and export of explosives.

"The six million Americans who worship [Allah, in the U.S.] will tell you there is no inherent clash between Islam and America. Americans respect and honor Islam."

—U.S. President Bill Clinton

5881518003

- “To raise international standards for airport security.
- “To combat the conditions that spread violence and despair.”

In his speech, Clinton repeated his administration’s insistence that the fight against terrorism was not part of a clash of civilizations between the United States and the Islamic world.

“I believe this view is terribly wrong,” the president said.

“False prophets may use and abuse any religion to justify whatever political objectives they have, even cold-blooded murder. Some may have the world believe that Almighty God himself,

Does the Muslim “Holy Book” — the Qur’an, command killing “infidels” unbelievers, in the name of Allah? The answer is “Yes.” This religious justification is the prime reason for Islamic terrorism, and why it will never be stopped by “peace agreements.”

the Merciful, grants a license to kill. But that is not our understanding of Islam...

“A quarter of the world’s population is Muslim, from Africa to the Middle East, to Asia and to the United States, where Islam is one of our fastest growing faiths.

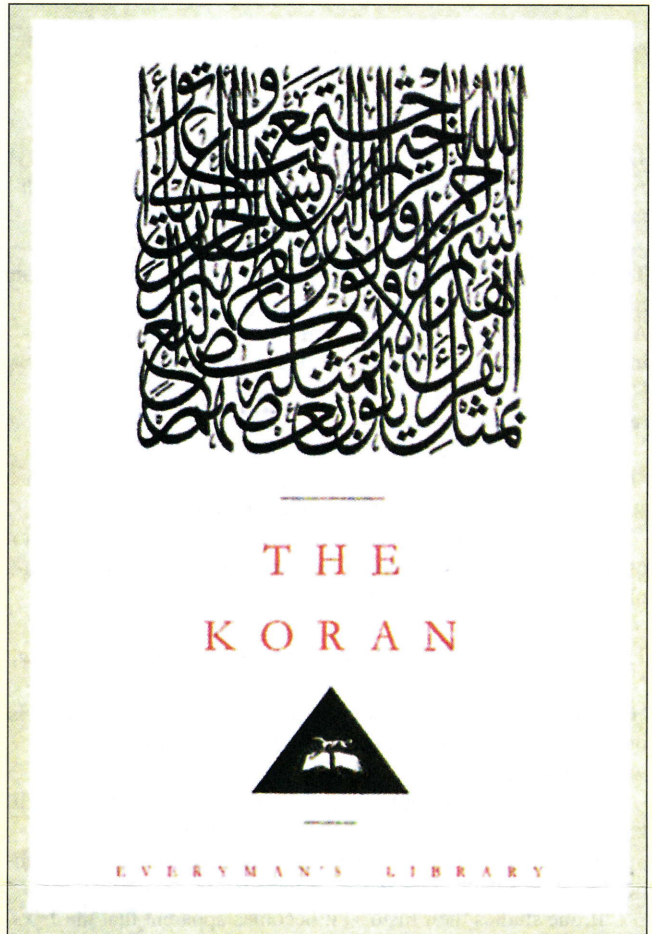

“There are over 1,200 mosques and Islamic centers in the United States, and the number is rapidly increasing.

“The six million Americans who worship there will tell you there is no inherent clash between Islam and America. Americans respect and honor Islam.”

Truth Seeker Comment:

By example, Bill Clinton has shown that he has real difficulty telling the truth. This address to the United Nations was full of falsehood:

- The “fight against terrorism” is NOT at the height of his administration’s agenda. Avoiding impeachment is.
- Improving the lives of people in foreign countries will not lower the level of Islamic terrorist recruitment. Osama bin Laden is a multi-millionaire, not a pauper. Islamic governments, especially Saudi Arabia, are flush with cash from oil production.
- The top of the world agenda is NOT preventing terrorism. The top of the world agenda is pushing Israel out of her land in the West Bank, Gaza, and Jerusalem. Then, Islam thinks it can finish the job of exterminating the Jews.
- There is indeed a clash of civilizations between the United States and the Islamic world. Fundamentalist Islam maintains irrevocably that the United States and Israel are “the great Satan” that must be destroyed because they are “enemies of Islam.” If Islamic fundamentalists know it and say it, why does Bill Clinton claim otherwise? Does he know Islamic doctrine better than they do? Here are just a few more examples: Ask those who were in or near the two U.S. embassies when Islamic terrorists blew them up recently. Ask any of the relatives of the 241 Marines blown to bits in Beirut, Lebanon during the Reagan

administration, or the families of the victims from bombings of U.S. air bases in Saudi Arabia, or ask those who were near the World Trade Center in New York when Islamic terrorists tried to topple the entire complex and murder thousands of innocent civilians, including women and children. Yes, there indeed is an inherent clash between fundamentalist Islam (the kind of Islam the Qur’an and Hadith teaches) and America.

- If you still doubt if the *religion* of Islam is a violent, murderous religion, you must read our booklet, *The Doctrine of Jihad According To the Qur’an and the Hadith*. It documents from dictionaries, encyclopedias, and standard textbooks on Islam that as a religion Islam promotes violence, death, and destruction against all non-Muslims. For your gift of \$5 to the ministry, we will send this to you [see coupon]. Be prepared when liberals like Clinton claim that Islam is a religion of peace.
- Despite Bill Clinton’s absurd statements to the contrary, Islam indeed grants its followers a license to kill in the name of Allah. This concept is at the heart of Islamic doctrine as now taught in the Qur’an and Hadith, and was the basis for the almost total subjugation of the known world by Islamic armed conquest starting in the 7th century. Killing in the name of Allah is a *religious* inspiration followed by an endless procession of young Muslim men who can hardly wait to get killed for Allah so they

can spend eternity in Allah's sexual paradise where women are waiting in chains, which is promised for those who die in the cause of exterminating "the infidel" (non-believers in Islam).

The now-dead father of modern-day terrorism, the Iranian Ayatollah Ruhollah Khomeini, said there is *nothing greater than to kill and be killed in the name of Allah*.

The Real Face of Islam: Palestinian Authority Anti-Semitism SINCE the Wye Agreement:

At *Truth Seekers*, we think it is important to document our statements about murderous Islamic attitudes toward Jews and Israel. Here's a short excerpt from a recent Prime Minister's Report released on November 11th:

"In the October 23, 1998 Wye River Agreement, the Palestinian Authority (PA) reaffirmed its commitment to halt incitement.

"Nevertheless, the official media organs of the PA continue to use crude anti-Semitic rhetoric. Following are three recent examples of anti-Semitic incitement in the official PA media:

1) Article in the official PA newspaper *Al-Hayat Al-Jadeeda*, November 7, 1998:

"Corruption is part of the nature of the Jews. So much so that it is only on rare occasions that one finds corruption in which Jews were not behind it.

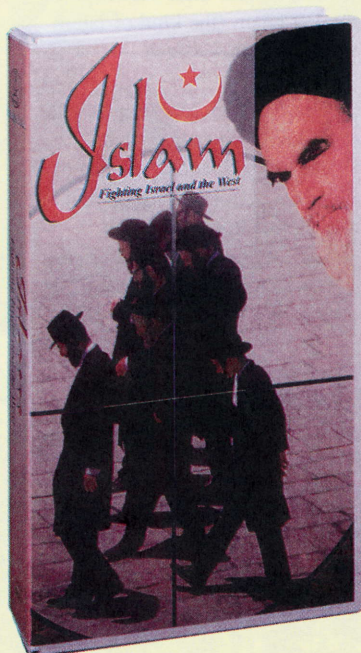

"Their intense love of money and accumulating wealth is well known and they do not care what method is used to achieve it.

"They are likely to use the lowliest and most convenient methods to achieve their objectives....

"If one studies their history, it becomes apparent that the Jews were subjected to losses and expulsion as a result of their wickedness and their despicable acts.

"All this occurred after their true nature and their responsibility for destroying the world was revealed...

"Since this is their mode of behavior, they have focused their efforts on developing their plotting mentality, as they believe the secret of their survival lies in their control over the economies of the countries which opened their gates before them.... It is interesting how those who are

harmed by their curse continue to remain under their influence... Among those who have been harmed in this manner are Bill Clinton, the president of the largest country in the world.

"Zionism began to besiege him when he was still a state governor. He began to carry out what world Zionism dictated to him out of fear that his proclivities would become revealed.

"Even though he is the head of the biggest country in the world, he understands that he is a servant of his desires, with which the plotters tripped him up..."

2) Excerpts from a television program entitled "Palestine: History and Heritage" which was broadcast on official Palestinian Authority television on November 3, 1998:

Moderator: "We will now deal with an important subject: 'Judaism: Religion or Nationality.'"

Historian Jahir al-Kidwa: "The naked truth is that Judaism is not a religion in its fullest meaning, nor is it a nationality at all..."

"Judaism derived from the religion of Moses—Moses brought the Mosaic faith, and it is a continuation of the Islam of our father Abraham."

3) Excerpts from a religious program broadcast on official Palestinian Authority television on November 3, 1998:

"There is no light nor teaching in their Torah today. Their Torah today is just a collection of writings in which those people wrote lies about God, His prophets and His teachings..."

"The Jews are the seed of Satan and the Devils....

"The Jews believe only in the first five books, which includes the Book of Genesis, all of which is lies about God and about the day of Creation... To their Prophets they attribute the greatest of crimes: murder, prostitution and drunkenness.

"The Jews do not believe in God nor in the End of Days.

"They have distorted it [the Torah], lied about it and forged it... They invented it as a history book for the Jews, full of promises to Abraham, Isaac and Jacob, that they would be given the land of Palestine..."

"The entire Torah comes to demand ownership of the land for the Jews. Their history is full of rebellion and humiliation—God protect us from humiliations!

"They have distorted the faith and exchanged the gift of God for heresy, rebellion and prostitution, and distorted the Torah...."

Order this information-packed video today and understand the true Islamic intentions.
This video may be shown to churches and groups with no licensing charge whatsoever.

Their cry is becoming louder: "Death to Israel! Death to America!" They are Islamic fundamentalists acting out the violent passions of a dead man who is the father of modern-day terrorism: Ayatollah Khomeini. So possessed of Khomeini were his followers that they tore at his body in the casket just to get a *piece* of the man they believed would lead them to an Islamic resurgence. That was in the 1980's.

This video, featuring Dr. Morey, exposes the fallacies of the Islamic religion. It shows how Islam came into being, what its central teachings are, and how militant Islam intends to *violently* deal with opposition. The Islamic holy books, the Qur'an and the Hadith, are the main sources cited in this exposé. This is an outstanding resource for equipping Christians to refute the claims of Islam, the world's fastest growing religion. (90 minutes) *To order, see coupon.*

SPEAKING THE TRUTH WITH DR. ROBERT MOREY

The Muslims, once again, scurried for the exit at the last moment. A debate had been set up at the University of California (Irvine Campus). Between 450–500 showed up. The debate was to be on the Hadith [the Muslim tradition literature viewed as the “Second Inspiration”]. The Muslims apparently found out who I was and backed out, and didn’t allow any of the Muslim students to attend the meeting. I put out an empty chair and proceeded with the debate. We had a good time.

Pray for those who are continuing to try to set up debates at all the major universities in Southern California. Even if the Muslims back out at the last moment, the crowds will come out and I can preach the Gospel to them as well as expose Islam.

The Muslims have had a free hand around here to do as they please without anyone speaking against Islam and challenging them to defend their faith. That time is over.

Men’s Ministry

The Men’s Conference on Mt. Palomar was a wonderful success. One hundred and nineteen men showed up and we spent the weekend together exploring the Word as it relates to men. I led another men’s conference in November in Spokane. The guys were great. If you haven’t ordered a copy of the “CIA MEN’S DISCIPLESHIP MANUAL,” you are missing out on some great material. If you are a pastor, you need to take your men through this course. We are also preparing a woman’s manual as well.

Family Report

Anne, Ruthanne, and John are doing fine. John loves running the booktable. Ruthanne’s singing has blessed so many that we are getting requests for her to produce a CD. Of course, you think that I’m a daddy who thinks his daughter is great. Well, she is a good singer! Once you hear her, you’ll agree!

Vital New Book Ready To Go Into Battle Against Islam

Last month, we said we needed five Christians to give \$1,000 each to get our new book project aimed at teens printed.

Two have come forward thus far. We need three more. *It will, God willing, be the most powerful apologetic ever that refutes Islam.* Once teens read it, they will never convert to Islam.

Teens have been sucked into Islam by cult leader Louis Farrakhan and others, but we can reverse that by getting the truth out. *The rate of conversion to Islam in prisons must be halted and reversed.* Muslims will *turn away* from Islam when they read this book!

“The Muslims, once again, scurried for the exit at the last moment.”

Your Help Needed

People support us because they believe in what we are doing.

Do you share this conviction?

We need one hundred Christians who can invest \$1,000 each to expose Islam and preach the Gospel by helping us fight Islam.

Our mission is to pray, preach the Word and defend the Faith while there is time left!

If you’re not assisting *Truth Seekers* on a monthly basis, why not begin now? For your monthly gift of \$25 or more, you’ll receive my landmark book, *The Battle of the Gods*, a yearly subscription to this color newsletter and a 15% discount on resources!

Merry Christmas... and a Happy New Year

Anne and I and the entire staff wish you a merry Christmas. I can't help but think of all the love and prayers that you have sent our way this last year. Truly, God is good! We accomplished a remarkable amount of work. Perhaps "miraculous" would be a better word:

- Opening a California office and setting up apologetic studies twice a week has proven to be a blessing to many.
- God has opened so many doors to preaching the Word that it has to be His Hand doing it!
- The "Fearing God" book is done and a publisher has sent us a contract for it. Expect us to have it on sale soon!
- Many Muslims are visiting our web site.
- God has raised up new volunteers who are a great help in the ministry.
- We may be back on the radio for two hours every day Monday thru Friday. We hope to start in Miami, Florida. It will be a talk show that will be fun as well as informative. If you want to sponsor the program in your area, call us at 1-800-41-TRUTH and we will call you back with the details.

- We are penetrating the universities around us and plan some major conferences next year.

God has helped me to walk again, sometimes with a limp, but enough to get to the pulpit. Emanuel Baptist Church, and various Calvary Chapels have been a special blessing to us.

"25 Christians are on death row in Saudi Arabia. Why? They were caught singing Christmas carols!"

Book For Next Year NOW

If you want me to speak at your church, you need to book these days in advance. If God wills, we fully expect the blessing of the Lord next year as I travel and speak in churches across America. We are mindful that much depends upon your financial support. Without your investments, there would be no way to print new tracts,

research new books, do radio and TV shows, conduct debates and seminars, and hold Bible classes.

During this Christmas season, remember that it is illegal to celebrate Christmas in many Islamic lands. Twenty five Christians are on death row in Saudi Arabia. Why? They were caught singing Christmas carols! This is what we are trying to prevent from eventually happening here in America or in other countries where Islam has not yet gained the upper hand.

Terrorists such as Osama bin Laden are increasing their attacks. He has purchased two small nuclear bombs that he wants to use to nuke some American city. As we come closer to the year 2000, the Muslims are planning horrible things to announce that, in the new millennium, Islam will rule over the whole Earth. Don't let Islam continue unchallenged! Include us in your end-of-the-year gifts and help us to fight Islam in the upcoming year. *Are you willing to do as much for Jesus as the Muslims are willing to do for Muhammad?*

Would you consider including us in your regular planned giving? It will establish this apologetics ministry here as a beachhead against Islam and the cults. An automatic monthly donation is the best way to consistently invest in this vital ministry. See the coupon below. Thanks! **RM**
