

An Answer to his Critics

Dr. Robert A. Morey

<https://njjat.com/apologetics.html>

The servants of Christ were vilified by those who oppose the truth of God's word. Because the enemies of Christ cannot answer the argument set forth by faithful men of God such as Dr. Morey, they resort to the only tactics left to them: slander, lies, and other various ad hominem attacks. For those who have received attacks on Dr. Morey that he is not a real scholar but a fraud, the following chart is given below. A man is judged by his works, not by the criticisms of his enemies. Read Dr. Morey's many books and decide for yourself.
