BOARD OF EDUCATION***

Paid for by Gray for Hunterdon Central BOE, PO Box 8, Three Bridges, NJ 08887

## I support:

**Parental Rights:** Parents should be respected and partnered with, as they are the strongest supporters of their children's success.

**Academic Excellence:** We need to focus on providing a quality education for our students, encouraging them to develop critical thinking and logical reasoning skills necessary to prepare them for future success.

**Transparency:** The community should be awarded a full and honest accounting of all facts, information and content to ensuring an informed and equitable decision-making process for the safety and success of all students.
